Through:- The Commissioner of Police, Bangalore.

SIR,

The enclosed estimate for repairing and white washing the Fire Engine Lasker's Quarters on Commissariat Road sent to the Commissioner of Police has been returned to this office with a remark by him that the building may be demolished as the post of Lasker has been abolished. The building was constructed in the year 1927 and is therefore comparatively new. I have the honour therefore to request you to kindly inform me if it could be used for some other purpose by the Police or some other Government Department. If it cannot be so used by Goverrment, the Municipality may be asked if they would like to rent it.
